

A. Membership Terms and Conditions

General Information

A CAA membership is a non-transferrable annual subscription that covers you, the member, and not a vehicle. Memberships will cover you if you are a passenger in someone else's vehicle and require Roadside Assistance Service. The membership does not cover roadside assistance or provide benefits and savings to non-members, relatives, spouses or friends. For more information on roadside coverage, refer to our Roadside Assistance Terms and Conditions.

Pricing and Payment Options

Memberships can be purchased online, in store or over the phone. Memberships are a one-year subscription which are to be paid either annually or in 12 monthly installments. New and existing memberships will be set up to automatically renew each year with either a credit card or by pre-authorized debit through a financial institution or credit union.

Current members who are using an alternate payment method will be exempt from our automatic renewal policy until they **authorize to be set up on automatic renewal**. Members will be responsible for ensuring payment details remain current and valid on their CAA account.

Members will receive, either by mail or ebills, an annual renewal notice ("Annual Membership Statement") approximately 30 days prior to the membership expiry date, which will inform you of your annual membership fees owing, including any associates or additional services you may have on your CAA account. (www.caask.ca/myaccount) The annual renewal notice will also indicate if you have any CAA Dollars® you may have accumulated or any applicable discounts.

Annual automatic renewal payments by credit card may be processed 3 – 5 business days prior to your membership expiry date. However, in most cases, annual automatic payments, both credit card and pre-authorized debit, will be processed on the last business day of the month unless that day is a weekend or holiday. In these cases, the annual automatic payment will be taken on the last business day of the month. Monthly automatic renewal payments (credit card and pre-authorized debit) will be processed on the first business day of the month following the membership expiry date. Pre-authorized debit payments may take up to 5 business day to be processed by your financial institution or credit union.

If we do not receive any alternative instructions from you, we will process your membership renewal(s) by using the payment method you authorized on your account. Members wishing to make changes or terminate their membership, must provide us with notice before the membership expiry date.

If membership fees are not paid by the membership expiry date, Roadside Assistance Services and all other benefits and discounts will no longer be available to the member(s), and your CAA Dollars® balance will be forfeited.

Prices do not include GST unless stated, and prices and product offerings are subject to change or may be discontinued without notice.

All online memberships will be set up on ebills. Members can manage their profile as well as billing and email preferences by logging into their [online account](#).

Refunds and Cancellations

Members that pay for their membership annually may cancel anytime however **membership fees are non-refundable**. Notice of cancellation should be provided to CAA Saskatchewan prior to the membership renewal (anniversary) date, which will be the last day of the month the following year the member joined.

Members will be personally billed annually for membership fees due. If, after receiving the Annual Membership Statement, you do not accept the new terms or do not wish to renew your membership, you may cancel your membership as of the date when the change takes effect or on the renewal date.

If the membership lapses 90 days after the expiry date and the member wants Roadside Assistance, CAA Saskatchewan will consider the membership cancelled and Join on Arrival terms will apply. (Refer to the *Join on Arrival* section under the Roadside Assistance Terms & Conditions.)

CAA Saskatchewan has a 30-day grace period (buyer's remorse) on memberships after the payment has been processed. The amount of the refund will be prorated, based on your household's most recent membership(s) payment, and subject to the use of Roadside Assistance or Bike Assist from any members on the account. If services have been rendered, the cost of providing these services will be deducted from the refund. CAA Saskatchewan will not refund your membership after 30 days of receiving payment.

Primary and Associate Members

The Primary member is the main cardholder on the CAA account and can manage and maintain the membership over the phone, in-store, online, and through the CAA Mobile App. The Primary member will be responsible to pay annual membership fees that are personally billed as well as ensure the accuracy of the information for all household CAA members on the account. Any additional service charges or fees payable for roadside assistance or other member services, must be paid for by the member that requested the service, at the time of service. The Primary member is the default beneficiary of any accrued CAA Dollars, even if they are earned by an Associate member(s).

An Associate member is any individual 16 years old or over, living at the same residence and mailing address, who can be added to the Primary member's CAA account to receive the same coverage. Exceptions are allowed for school attendance away from home. Please note that Associate members can remove themselves from the account and obtain information about their own membership account.

A Donor is a person who purchases or "gifts" a membership to someone else. This can either be a one-time purchase or a recurring annual transaction. The recipient of the gift membership will be considered the Primary member and receive services and benefits depending on the membership coverage purchased but will not be responsible for paying the annual membership dues as long as the Donor has been assigned to the account.

A CAA Saskatchewan member is prohibited from having more than one active CAA Membership account at any given time, and across all CAA Clubs that form part of the federation of the Canadian Automobile Association. Duplicate and/or alias CAA memberships (i.e., using fake/alternate names or information) may be revoked. Refunds will not be provided where services have been used on a duplicate account.

Service receipts must have been issued from a registered company.

CAA Saskatchewan and its service providers each reserve the right to contact the police or local authorities upon suspicion of impaired driving or any other threat to the safety of person or property.

For vehicle damage during service, members must contact CAA Saskatchewan directly to report any damage or concerns regarding their vehicle within 72 hours of the initial service request and before any necessary repairs are carried out. Members should also document the damage. A failure to report within 72 hours will result in a denial of the claim.

CAA Saskatchewan and our service providers reserve the right to physically inspect and assess any damage claims. The service provider and/or CAA Saskatchewan must be permitted – within 72 hours after the incident report is forwarded to the service provider for further investigation – to physically inspect the vehicle damage and its equipment in order to determine liability. The member should not make any repairs to the vehicle or remove evidence of the damage. If the member does not permit the service provider and/or CAA Saskatchewan to physically inspect the damage within the 72 hours, or if repairs are completed prior to the completion of such an inspection, the claim will be denied.

While assessing a damage claim, CAA Saskatchewan may require the member and/or the registered owner of the vehicle to provide further information to assist with resolving the claim. Please be prepared to provide documentation that supports your claim. Where such documentation has been requested and is not produced within 72 hours, the claim will be denied.

If the service provider and/or CAA Saskatchewan commits to repair or replace any damaged vehicle parts, both the service provider and CAA Saskatchewan reserve the right to approve repairs or use replacement parts of a similar kind or quality.

If CAA Saskatchewan denies your claim in whole or in part, CAA Saskatchewan will promptly inform you by attempting to reach you by phone, and if unsuccessful, by email or letter.
